ONE 1-week session: July 17-21 (Sunday-Thursday, 9:00 a.m.-3:30 p.m.)

School of Rock-Vista and Camp Jaycee have joined forces to bring this exciting week-long Classic Rock Performance Camp with a great desire to perform with other musicians in a classic rock band. This camp is built on the philosophy that the best way to learn to play music is by actually playing it. Campers will spend a full week working in a hands-on atmosphere learning performance techniques and the art of being in a rock band. Workshops will include: group lessons on an instrument of their choice (guitar, bass, drums, keyboards, brass or vocals), music theory, rehearsal techniques, performance practice and group band rehearsals. Campers will also spend time learning the care and maintenance of their instrument, as well as develop an understanding of how a soundboard works. All of will lead to campers performing in a real all-ages rock show for friends and family on the last day of the program. Pre-requisite: Must have intermediate to advanced experience with their musical instruments.
